

## Announcement for the online lecture series by

**Prof. S.S. Sazhin**

Advanced Engineering Centre, University of Brighton,  
Brighton BN2 4GJ, UK. [S.Sazhin@brighton.ac.uk](mailto:S.Sazhin@brighton.ac.uk)

on

### **Mono-component droplet heating and evaporation**

Thursday, 16<sup>th</sup> of December 2021 10:00-12:00 (German time)

### **Multi-component droplet heating and evaporation**

Friday, 17<sup>th</sup> of December 2021 14:00-16:00 (German time)

### **Puffing and micro-explosion in composite droplets**

Friday, 17<sup>th</sup> of December 2021 16:00-17:00 (German time)

Organisation: B. Weigand\*, G. E. Cossali<sup>+</sup>, A. Geppert\*, V. Gerber\*

\*Institute of Aerospace Thermodynamics (ITLR),  
University of Stuttgart

<sup>+</sup>Department of Engineering and Applied Sciences,  
University of Bergamo
