## Be Part of the POWER<sup>st</sup> Summer School 2022!

### What?

The POWER<sup>st</sup> summer school aims to empower students who are the first of their families to enter higher education.

Its program therefore includes:

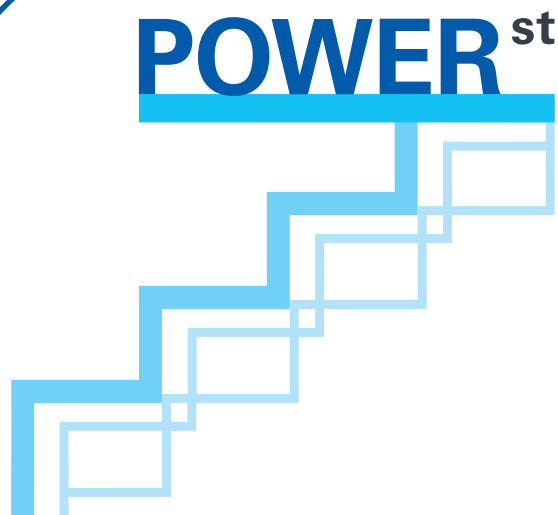

- Empowerment workshops and the provision of tailored support to students to help them reach their full potential
- Talks on intersectionality and educational equity
- Career choice prospects
- Exchange with former and current international first generation students
- Opportunities to utter wishes and to develop ideas for a more inclusive higher education

### When & Where?

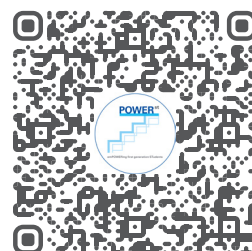

05.09.2022 – 09.09.2022

University of Stuttgart – Campus Stadtmitte

**More information on the summer school and the registration process can be found [here](#) or by scanning the QR Code.**
